**Extremely light, compact and powerful:
the new FEIN ABH 18 cordless rotary hammer drill.**

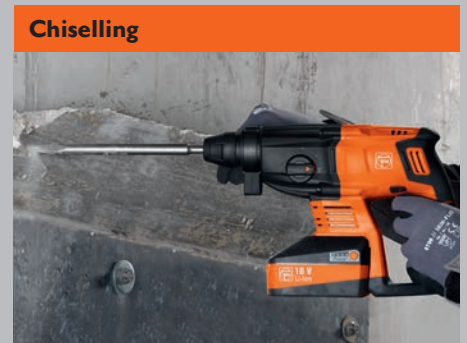

Combination hammer with three functions:

Hammer drill up to $\frac{7}{8}$ " in concrete.

Produce 2 $\frac{11}{16}$ " socket holes in masonry.

Remove excess concrete.

Drill up to 7/8" in concrete.

Due to the brushless motor, the powerful, cordless rotary hammer drill offers a high impact energy for a continuously high cutting speed. The drill makes light work of drilling diameters of up to 7/8" (20 mm) in concrete. A compact design and low vibrations ensure fatigue-free working. Two forms of safety switch-off protect the user and tool.

Continuously high cutting speed

Brushless motor and high-power striking mechanism with 2 J allow 80 holes to be drilled with one battery charge (5Ah).

Extremely light and compact design

Weighing just 6.6 lbs (3.0 kg) including battery (5Ah).

Long service life

FEIN SafetyCell Technology protects the battery and tool from overloading, overheating and total discharge.

User protection

Safety clutch stops the rotary hammer drill should the drill chuck jam.

Technical data

			ABH 18
Model			ABH 18
Battery voltage	V		18
Battery compatibility			Li-ion/HighPower Li-ion
Motor			Brushless
Idling speed	rpm		0-1200
Stroke rate	rpm		0-4400
Impact energy	J		2.0
Tool mounting			SDS-plus
Max. hole diameter in concrete	in (mm)		7/8 (20)
Max. hole diameter in masonry	in (mm)		2 11/16 (68)
Vibration from hammer drilling in concrete	m/s ²		12
Tool dimensions (LxWxH)	in (mm)		12 x 3 1/8 x 8 1/8 (303 x 80 x 207)
Weight without battery	lbs (kg)		5 lbs (2.3)
Battery pack service life			80 holes*
Includes:	1 cordless rotary hammer drill, 2 Li-ion batteries - 18V / 5Ah, 1 ALG 50 charger, 1 handle, 1 depth stop, 1 case		
Order number			6 99 08 107 04 3

* 3/8" x 3" (10 x 75 mm) at 5 Ah

Work and produce very little dust.

The optional drilling dust nozzle securely attaches to all conventional wall and ceiling surfaces and protects the user against high dust levels. It is compatible with all wet/dry dust extractors with a 1 3/8" (35 mm) suction hose. Combined with the FEIN TURBO II X AC, all harmful dusts are reliably extracted. The high-quality filter is automatically cleaned with the AutoClean system AC, guaranteeing continuous work that doesn't put too much strain on the user.

		
Order no.	9 26 02 101 01 0	TURBO II X AC 9 20 30 060 09 0
